CACHET FOR INAUGURATION NEW PHILIPPINE PRESIDENT

From Antonio de los Reyes in the office of the Chief Engineer, of one of the branches of the U.S. Service abroad we have three covers from the Philippines which show a special cachet applied on

the date of the inauguration of President Manuel A. Roxas, on the 28th of May 1946. The cachet is in green, a fancy ornament on top of an oblong box which bears an inscription in three lines in capital letters, "INAUGURATION DAY, PRESIDENT MANUEL A. ROXAS, MAY 28, 1946".

British Colonial Prices Are Booming In London

The following item comes from Mr. Neil J. Browne of Letterkenney, Eire and gives us some idea of what stamp prices are prevailing in London for choice material. It is evident that stamps still remain a sound investment for any collector who buys good material.

Nice prices are presently being offered in England for some comparatively recent items, and no one will say there is any likelihood of the prices falling. Watch these: Ascension, No. 44, \$3.00; Bermuda, No. 109, \$260; Fiji, Nos. 122 and 3, \$5.75; Seychelles No. 144, \$9.50; Nigeria No. 59, \$4.50; and the Great Britain, one-pound U. P. U. stamp No. 209, \$25.00.

Historic Portuguese Issue Pictures Most Famous Castles Of The Country

We are indebted to Mr. Alfredo Schick of Lisbon, Portugal for the splendid First Day cover which we illustrate and which pictures the new "CASTLE SET" of stamps from Portugal. First day of issue for this splendid set is June 3, 1946. In addition to the stamps which we list herein, there was also issued a special souvenir sheet of four stamps of the 1.75 Esc. value. This sheet was sold at the postoffice at 12.50 Esc. Fifty thousand sheets were issued, on granite paper, the regular issue of stamps being on white paper.

The designing of this new Castle set is by the artist Cotinelli Telmo, the engraving is by the Swiss artist Karl Bickel, the

printing was done by Courvoisier of La Chaux de Fonds, in Switzerland.

The postage set as shown on the cover is of eight values and we give herewith the different stamps, their color and the names of the Castles pictured thereon.

10c Castle of Silves; in violet, four million stamps.

30c Castle of Leiria; in red brown, one million five hundred thousand.

35c Castle of Vila da Fiera; in green, one million.

50c Castle of Guimaraes; in gray, ten million.

1.00 Esc. Castle of Almourol; in red, one million, five hundred thousand.

1.75 Esc Castle of Lisbon; in blue, one million five hundred thousand.

2.00 Esc Castle of Braganca; in dark green, one million.

3.50 Esc Castle of Ourem; in brown, one million.

In addition to the above information we also learn from Mr. Schick that a special souvenir sheet was issued April 29th to honor the Centenary of the Naval Academy. The sheet is of four stamps, the same as the issue of stamps of this type which came out just after last Christmas. Only 20,000 sheets were issued. The issue was over subscribed and sold out immediately. Mr. Schick states that 100 thousand sheets could have been sold if issued. The price in Portugal has already gone beyond double face value.

Other new stamps in prospect are a costume set also a stamp for Joan First who established the Dynasty of Avis.

SCOTT PUBLICATIONS, HAS BEEN SOLD TO HARMER ROOKE & CO.

New York News this week reports the culmination of negotiations between Scott Publications, Ltd. and Harmer Rooke and Co., auction firm of New York and London. A deal has been made, and the well known publishing firm is now in new hands.

It has been known for many months that the firm has been for sale, and its head, Hugh M. Clark, has for some time been in ill health, and in search of a buyer. Various names have been suggested at different times as interested, but it was not generally known that the British firm was interested.

Ownership of Scott Stamp and Coin Co., Inc. is not involved in this deal, which is reported to have cost in the neighborhood of a third of a million dollars. The stamp end of the publishing firm has been a separate venture for a number of years.

SO YOU WANT "PEACE"?

Don't we all! The Great Britain peace sets we ordered to come by air should be here by the time you are reading this. So-o-o-o, if you want me to send yours just mail 2 thin dimes (I collect dimes and only need 999999 more for my first million \$) and if you ask for it you can have the current copy of Case's (LWC) Bulletin. Of course you'll probably get the darn thing even if you don't ask for it. We send approvals only if you plead for them and send us 2 good references. People buy the stamps as soon as we make them up and so we always have a few customers on our waiting list. This is all for now but watch this space next week for an important announcement.

 NEW ISSUES
 During the past two years I have been buying all the new issues of the war years. Some of the sets I bought in too great a quantity. These were nearly all of the better sets, as I didn't crowd the cheaper, more uncertain ones.
 Now all these stamps must go in order to make way for the issues that are about to come. I am breaking these up in \$5, \$10, and \$25 lots. Send any one of the above amounts immediately, and get a real buy. Money promptly refunded without question if not satisfactory within three days of receipt.

hands of dealers not scarce or missing in the average collection. The variety is noted by Mr. Harold Schmitt of Austin Texas. You who have a number of these can search for this variety and we hope that if additional copies are found that we will be notified. It is difficult to under-

stand how a variety such as this would occur. It seems without question to be a distinct variety in the plate and there should be others of the stamp found. The variety is in the small spray at the end of the word JAMAICA in the lower label. An identical spray is at the beginning of the word also, but in the spray at the end of the word the little curls come down and touch the stem of the spray, thus making complete circles. The variety is very clear in the picture we print and should be readily noted without the aid of a glass.

This stamp is the 1/2 penny green, Scott Number 101. We note by the Scott catalogue that this is described as a Typographed stamp. That means it is printed from plates such as an electrolyte and in plates of this character, many varieties may occur which never are found in engraved stamps. In making plates for typograph stamps, individual dies for each stamp in a sheet of 100 must be made, or in the case of lithographed stamps, individual transfers must be made, for each stamp in the plate, thus in such printing methods there is great chance that defects may occur. Perhaps other defects in this same stamp may

First Day Cover British Peace Stamps

Horrors!! Here are the new British Peace Stamps. Looks like enough to start a war among the stamp collectors of the world and we hope that those 45 sets for the Colonies are not copies from these pasteups. Probably one of the cute little Princesses cut these pictures from a scrap book and pasted them up for this new stamp. Some people will call them symbolic designs, but we would prefer to call them diabolic and if that is treason to the Crown, you can shoot us at sunrise.

Our thanks to V. W. Dunson, 6 Sandcross Lane, Reigate, Surrey, England for the cover we illustrate and thanks to John Stanard of Chattanooga, Tenn., for a set of blocks of four on cover. First day date is June 11th and if our First day covers were so poorly canceled as these covers, so it is almost impossible to figure out the cancel date, First Day Cover collecting in this country would lose most of its devotees.

Cachets Offered For First Flight Air Covers

Extension of air service to new terminal points in the West by Western Air Lines will offer stamp collectors this summer a number of first-flight cachets, according to word from Western Air headquarters at Los Angeles.

Present plans call for inauguration of air service into Jackson, Wyoming, July 1; Cedar City, Utah, July 15; Yuma, Arizona, August 1; and Logan, Utah, August 15.

Company cachets as well as official postal cachets will be available at all of these points. Covers should be sent to postmasters of

the various cities with request that they be stamped with the first-flight cachet. If the company cachet is also desired an extra cover must be sent to the respective postmasters with a special request that it be stamped with the Company cachet.

Western Air plans to open a new cut-off route between Rapid City, South Dakota, and Sheridan, Wyoming, about August 1. Oakland, California will also be added to Western's routes about August 1. These cities already have air mail service, but company cachets will be used to commemorate the opening of the new routes. All covers should be addressed to the postmasters of the various cities with instructions accompanying them.

LINN'S WEEKLY STAMP NEWS

GEORGE W. LINN Editor and Publisher

Publication Office 119-121 E. Court St., Sidney, Ohio
 Mail Address P. O. Box 379, Sidney, Ohio
 Entered as second class matter April 22, 1942, at the post office at Sidney, Ohio,
 under the act of March 3, 1879.

WE MADE A BIG DEAL IN NEW YORK

We did not go to New York looking for business but when business is thrown in ones lap, it is a poor business man who will not hold to it. Our readers are all familiar with those beautiful lithographed Patriotic Envelopes and stationery that were featured during the war years by Mr. Jacques Minkus of Gimbels Stamp Department in New York. The story hinges on these items.

On our last evening in New York we had a dinner engagement with Mr. Minkus and when the inner man was satisfied, Mr. Minkus remarked that they had about a car load of the envelopes and stationery of the Patriotic type which they had been offering for the past few years. Mr. Minkus stated that they wanted to get rid of it all in a lump since they needed the storage room. They did not care to cut the price and undersell their own merchandise but preferred to junk it if necessary. He then proposed that I buy the lot and offer it through our paper. When he told me what he would take for the various items and the quantities available and how it was packed I promptly said I would take the lot. The deal was opened and closed in a few minutes time for I realized that here was something that our thousands of readers would be pleased to buy, for paper is scarce, fine stationery is hard to buy in big lots. The price quoted was such that we can offer it at one fifth to one fourth the original sale price and the price we make on it is lower than you can buy equal quality blank paper for.

We have noted several dealers in the past who have been using this stationery for their correspondence, collectors also, and we do not know of any thing that makes a more appropriate bit of stationery for a stamp collector.

We have been in the printing and publishing business for a great many years but never before have we ever bought at one time such a vast quantity of envelopes and letter paper.

The whole lot when carefully checked up amounted to 1,803,600 envelopes and 1,166,760 sheets of stationery. A solid car load of the splendid stationery was shipped to Sidney where we now have it and are offering it to collectors and dealers in big and little lots at from one fifth to one fourth what it originally sold for.

For the collector who wants good paper and envelopes for his letters or for the dealer who wants some attractive and eye-appealing stationery, we know of no better material at any price and the price we are able to make on printing this stationery for the collector or dealer with your name and address on the envelopes and on the letter paper is as low or lower than your printer will furnish you ordinary work for.

Look up the offers that are being made. Altho we have a large quantity of this material, it ought to sell out quickly at the prices quoted and if you want to be sure that you will get some of this bargain you should not delay ordering, but rush your order at once.

We were much interested in the quantity of this material that Mr. Minkus had originally bought and sold and inquiry brings the information that more than 50 million sets of the paper and envelopes were sold. This is for both the first and second series of these famous Patriotic envelopes and stationery.

The lot shipped to us contains some of both the first and second series of this stationery and each of the series had 20 different varieties of envelopes and paper. All lithographed in many colors and all splendid paper and envelopes.

We refer you to our offer and warn you to order all you can possibly use at once. First come first served, we want to move this as quickly as possible and know that everyone who orders will be highly pleased.

A PAIR OF NYLONS

New York is also short of Nylons, just as in other cities and towns and it was not unusual to see long lines of people outside of stores that were putting on sale a consignment of Nylons. While we knew that our wife and daughter would like some, we did not have time to get in line for them, but we did get a pair which has an interesting story behind them. Perhaps one of those black market pairs which we read about, but these cost us nothing and we feel like telling you the story for there is mystery behind it.

When we would get off the elevator on the 12th floor of the McAlpin Hotel where we stayed while in New York, we walked toward the floor clerks desk and then turned to the right down a long hall running toward the north side of the building. At the end of this hall and directly in line with the hall was a door with the number 1220. We then turned to the left and walked down another hall toward our room which was number 1216. Thus between our room and room 1220 there was room number 1218 and beyond our room was room number 1214.

When we walked into our room late one afternoon we found an envelope laying on the bed, a regular hotel envelope on which was written in ink, "Mrs. E. Woodhead, will call". Also in the corner of this envelope in pencil, the number 1214.

The envelope was evidently for room number 1214. Who Mrs. Woodhead is or was we never learned. However it appears that the floor clerk must have given our room key or a pass key to someone who had a request for a pair of Nylons and that they were for the party in room 1214 and that by mistake they were put into our room.

Anyhow it happened in this manner. When going down the hall from the desk of the room clerk we mentioned that the hall led directly to the door of room 1220. The next room at the left was room 1218. Room 1216 should be next and room 1214 the next room, but between room 1218 and 1216 was an extra door to a service room or linen closet and anyone walking down these halls would note room 1220 and then go along and count off the other rooms as 1218, 1216, 1214. In doing this counting they overlooked the fact that the door to the linen closet or service room bore no number, yet they counted it as 1216, that was the next door however and the party who left the nylons just made a mistake and got into my room 1216 instead of 1214. The Nylons were laid on the bed in the envelope and we found them thus. We were rather surprised, then angry that someone was permitted to enter our room when we were out. We simply took the Nylons, threw them in a dresser drawer and thought that whoever owned them could call and claim them. No one called, so we came home with a pair of Nylons.

Incidentally for the information of the ladies we would like to say that we have already given them to our grand daughter so do not make application for them, and further, we were told when in New York that within three or four months there would be all the nylons anyone would want, so girls, by fall you can have your fill of Nylons again.

New Album Pages.

Mr. Adolph Gunesch tells me he has reprinted and regrouped his Presidential and Defense album sheets. The new arrangement consists of 46 pages for the wide spaced Presidentials, 30 pages for the narrow spaced Presidentials, 14 pages for the wide and narrow Defense and also 2 pages for the War issue. Interested collectors consult the Classified Ads under 'Precancels' for address. Gunesch Precancel House is the trade name. These new sheets should be quite a help to the beginner in forming his collection.

CHANCE OF A LIFETIME

Everyone should be familiar with the beautiful Patriotic Stationery that was sold by Gimbels Stamp Department during the war years. This consisted of both envelopes and letter paper lithographed in many colors. Two sets, each of 20 different designs were offered. The cause for the production of this stationery is now a thing of the past and Gimbels wanted to clean out their ware room for storage of other material. We therefore bought the remainder of the stock of this stationery and are offering it to our readers at one fourth to one fifth the original price.

Paper is hard to get in quantity, paper dealers tell us conditions will be worse before they get better. This stationery makes splendid paper and envelopes for your correspondence and at the prices offered you would have a hard time finding unprinted plain stationery at so low a price. Every collector or dealer should lay in a supply now, at the low prices quoted. Do not delay, the wise boys will buy heavily and this big stock should not last long.

We are attempting to offer this in the original packages as prepared by Gimbels. The three offers below are all of the first series of this stationery and in original packages as first sold. The two offers below are of the second series. Then we make an offer for printing your name and address on both the envelopes and the paper and collectors and dealers will find that the price for this special printed stationery is as low or lower than they can buy plain printed paper and envelopes for. Order enough to last for a year or more now and be sure of getting your share of this splendid paper.

THE DYBBOL MOLLE OF DENMARK

By Forest E. Weller

The stamp illustrated is a charity issue of Denmark in 1921, a 1 shows an old windmill in the Danish town of Dybbol. Many windmills are scattered over the low, rolling plains of the Danish country side and they express in a picturesque way the national character of this peaceful little land and its people.

It is interesting to note that the Dybbol Mill, unwelcome as it may appear, has been the scene of fighting and bloodshed. Situated on the very border of Denmark and Germany, it was twice besieged, first in 1843 and again during the Dano-German War of 1864. Then after heroic resistance it was finally captured by the invading Prussian army and forcibly incorporated in the German province of Schleswig-Holstein.

Not until 1920 was the troublesome Schleswig-Holstein question, which had caused these

wars, finally settled to the satisfaction of both Denmark and Germany. In that year by a plebiscite or popular vote the inhabitants of northern Schleswig chose to return to Denmark, and so the Dybbol Mill stands once again

upon Danish soil.

Like the Dybbol Mill, the hobby of Stamp Collecting appears to those not acquainted with it as something perhaps mildly interesting, but on the whole not very exciting or significant. Those who know it more intimately, however, realize that stamps are rich in historical meaning; that every postage stamp tells a story; and that in every stamp album the owner possesses a magic carpet which at the mere turn of a page, transports him by means of fascinating pictures to the far off places of the earth.

The large picture is a Picture Post Card showing the Dybbol Mill as pictured on the set of Danish stamps of which we illustrate one value.

First American Philatelic Congress Book Is Reprinted

The First American Philatelic Congress booklet, long out of print, has just been reprinted by Mr. Paul Bluss, 51 West 46th Street, New York.

Original printings are already rare and this new reprint is offered at \$2.00 from the publisher.

CLOSE OUT

Am moving and I have brought down from my attic an accumulation of stamps for the past 30 years. They have to be moved out. Large quantities of these stamps are neatly trimmed and many off paper. Besides the U. S. are stamps from over 20 countries. Am making them all up in a world-wide mixture. Put up in units or parcels of 1 1/2 pounds each. With each parcel I put in a nice album of 36 pages and with about 500 illustrations. Also I am giving 1000 Fold-O-Hinges with each offer.

Everything above for \$2.00 POSTPAID anywhere in U. S. A. Your check, money order, cash or unused U. S. stamps accepted. MAIL ONLY. An ideal gift for Junior or a small dealer.

OFF THE GRIDDLE

By Oliver Griddle

A bi-weekly bulletin of news and notes regarding action and prices on the U. S. stamp market across the nation.

This feature is published solely for interest of readers and the writer may express views with which the editor does not necessarily concur.

3c CORREGIDOR—On April 25th we stated this was doing best of the recent comms, meaning the 1944-45 3-centers. Today retail is about \$2.75 per sheet or about 50c ahead of its companion issues.

5c CHINA — Apparently recent price boosts have broken loose at least some of these popular sheets. A couple of offerings at \$11 have appeared recently.

TALK INCREASES—That numbers of sheet holders may separate from some of their holdings come Fall, figuring that as propitious time. If such supply is not too heavy, looks like plenty of activity for Fall, perhaps stabilizing some of the still-increasing prices. We feel by no means would this necessarily wind up with much lower prices or wholesale dumping such as the 1937 drop.

3c BYRD EX. SHEET—The 80c retail level is long passed and current talk has a dollar price tag on this by Fall. S'possible!

2c-5c HAWAII—Supply of these in nice condition still very short which should mean more activity and higher prices on these before too much time goes by.

3c LA. PURCHASE—Watch this, in mint condition, over next six months!

ERROR IN PUCCIO AD

An error in the advertisement of Francis S. Puccio of Mount Vernon, N. Y., occurred in our issues of June 6 and 13. It gave the impression that the Luxembourg Madonn. Sheet on cover could be purchased with the "Thanks to 'Allies' set on cover for 75c. Obviously no one could expect this. The Madonna Sheet on cover should have read \$2.50, and the latter set on cover should have been listed alone for 75c.

SPACE FILLERS High catalogue stamps of nice appearance at large discounts. Returnable, if unsatisfactory, of course. Cat Net Chile 13 ————— \$10.00 \$1.20 Uruguay 13a ————— 30.00 3.50 Romania 42* ————— 12.50 1.50 Greece 1a ————— 15.00 1.50 Monaco 6* ————— 30.00 3.00

Netherlands Specialist Dealer Back On The Job

Several months ago the advertising of Dudley Atherton of Glenside, Pa., was regularly found in our columns. Those collectors interested in the stamps of Netherlands will well remember Mr. Atherton as his offers were mostly of these stamps of which country he made a specialty. Mr. Atherton was called to the colors and had to cancel his advertising. We have word and proof that he is now at home again, proof in the form of an advertisement offering stamps of Netherlands and he is taking a 52 week contract to again serve his customers. Ironically enough, even tho Mr. Atherton has just been released from the service, we have word that his son has been taken into the service, so the Athertons will continue to stand guard for we who are fortunate enough to be too old to do our bit in the service.
